

# CATRINA PAYNE, CPA

**Catrina Payne, CPA**  
*Partner*  
**Klein Hall CPAs, LLC**

For over 20 years Catrina Payne has provided public accounting expertise in accounting, auditing, tax, business advisory services, and virtual CFO services. As a partner at Klein Hall CPAs, Catrina provides strategic and timely direction to a diverse client base in service, manufacturing, and construction industries.

Catrina's in-depth knowledge of accounting services, management consulting, and tax planning, enable her to provide a client-focused approach to the service that she delivers. Her valuable insights and suggestions also facilitate the achievement of both the financial and non-financial goals of the businesses with which she works.

Catrina is an expert in all facets of the construction industry, including engineering and architectural firms, and real estate. This advanced proficiency with state-of-the-art construction accounting software and technology, matched with her up-to-date knowledge on the special needs of the industry, allow her to provide custom solutions targeted to her clients' various individualized needs.

Catrina holds several professional designations including being a long-standing board member of the CFMA. She is also actively involved in philanthropic endeavors within the community.
